The Elkhorn Days Committee is greatly appreciative of those sponsors who have donated in the past. **We appreciate your continued support.** New sponsors are always needed to meet the ongoing mission of Elkhorn Days to recognize this community's contributions and importance to the good life in Nebraska.

Please take a few minutes to review the form enclosed with this letter and decide at what level you are able to support this important community activity. We've made this request early so that it can be a part of your 2020 community contribution budget. Each level has been designed to provide multiple benefits to sponsors. So, please take advantage of this opportunity while recognizing the importance of maintaining strong community spirit!

In addition to contributing financially, you may also wish to directly participate by having **representation in the parade or a booth in the park.** Please note that separate forms and fees apply for each of these activities.
